

STATE OF CALAMITY RESPECT OF THE CONFINEMENT

THE NEED TO CONTAIN THE PANDEMIC CAUSED BY COVID-19 REQUIRES COMMITMENT AND INDIVIDUAL AND COLLECTIVE RESPONSIBILITY.

TO AVOID CONTAMINATION DURING THE CURRENT STATE OF CALAMITY, CONFINEMENT SHOULD BE RESPECTED AS A MEANS TO PROTECT THE LIFE OF ALL OF US.

CONFINEMENT IS MANDATORY FOR THE FOLLOWING:

- PERSONS DIAGNOSED WITH COVID-19;
- SARS-COV2 CARRIERS;
- PERSONS UNDER ACTIVE VIGILANCE ON THE RECOMMENDATION OF THE SANITARY AUTHORITIES.

ANY INFECTED PERSON WHO DOES NOT COMPLY WITH THE MANDATORY CONFINEMENT CAN BE PUNISHED FOR PROPAGATION OF AN INFECTIOUS DISEASE, **EVEN IF OUT OF NEGLIGENCE**, BY IMPRISONMENT.

DISOBEDIENCE AND RESISTANCE ARE CRIMES PUNISHABLE BY IMPRISONMENT.

**LET US RESPECT THE CONFINEMENT,
FOR THE SAKE OF ALL!**
